Re: Nokia Corp. v. InterDigital, Inc., et al., Case No. 08 Civ. 01507 (DAB)

Dear Judge Batts:

sent to DAB
3/6/2008

We represent Defendants InterDigital, Inc., InterDigital Communications, LLC, and InterDigital Technology Corp. (collectively, "InterDigital") in the above-captioned case. We write to request an extension of the page-limit imposed by Rule II.C. of this Court's Individual Practice Rules from 25 to 30 pages for InterDigital's Memorandum in Opposition to Plaintiff Nokia Corp.'s Motion for Preliminary Injunction, due on March 7, 2008. Counsel for Nokia has consented to this requested page-limit extension and Nokia has already requested and received this same relief, as granted by the letter endorsed by your Honor on March 3. We therefore, respectfully request, that InterDigital be granted the same 5 page extension.

Thank you for your consideration of this request.

Respectfully submitted,

WILSON SONSINI GOODRICH & ROSATI
